salerno

Recliner

The Salerno Recliner combines sleek, modern curves with exquisite form and function. Push on arms to engage reclining mechanism. The stylish contoured back hugs and supports the lumbar region. The footrest and back work in sync together, so it is not possible to independently control just the footrest.

Model: SLLS40

Features

Nightingale Award

Kwalu's GetWell Patient Room was awarded a Nightingale Innovation Award for Surfacing Material

Durable Finish

Kwalu's solid surface proprietary finish does not have any of the drawbacks of wood. The finish is moisture impervious, easy to clean and maintenance-free.

Push on the Arm Mechanism

The recline mechanism is activated by a simple push back on the arms.

Extended Length

Fully reclines to a depth of 66 inches.

Easy to Clean

Clorox Healthcare and Kwalu are partnering to fight HAI's. Kwalu chairs have no topical coatings, so sanitizing solutions commonly used in healthcare environments can be used – including 100% bleach – without degrading the finish.
